

Marine Cargo Insurance

What we will cover:

We provide cover for physical loss or damage to goods on an: -

- Annual adjustable and non-adjustable contracts
- Open Covers subject to monthly or quarterly declaration
- One Offs single trip or short period covers

We will cover UK companies interests for: -

- Your goods as a buyer or seller
- Shipments going to and from most locations around the World
- Goods being transported by Sea, Air, Road, Rail and Post
- Temperature-controlled goods
- Goods being stored outside normal transit

What does the cover do: -

Our policies cover physical loss or damage to goods while in transit and can be extended to include physical loss or damage to goods whilst in long term store. Logistic companies operate under limited liability and statutes, and their liability in nearly all circumstances will be less than the value of the goods. Consequently, our policies can be more appropriate for companies moving goods worldwide and companies holding legal title to goods while in transit.

We have a number of cover extensions available including: -

- Physical loss or damage to goods whilst in permanent store
- Rejection risk cover
- Exhibition cover
- Demonstration equipment cover
- Engineers' tools
- Representatives' samples
- Cover can be based solely on UK transits or can also include international transits
- Intercompany sending
- Cross voyages
- Extended transit voyage
- Concealed damage
- Installation, Testing and Commissioning
